THE WHITE HOUSE

WASHINGTON

TO THE 1970 GRADUATING CLASS
FLORIDA ATLANTIC UNIVERSITY

You graduate at a time when established institutions and ideas are being questioned as they have never been questioned before in our history. Much of this questioning is being done by the members of your generation, and it is your generation which ultimately will have to provide most of the answers to those questions.

I hope that as you look for those answers, you will remember the obligation of every educated man and woman to draw careful distinctions between those ideas which must be readjusted and those which should be preserved. The fact that many accepted ways of thinking seem artificial and unjust does not warrant the rejection of all established standards. Nor should our proper respect for the past and our legitimate desire for stability lead us to defend thoughtlessly that which is outmoded and obsolete.

Your challenge will be that of reconciling continuity and change, of giving new applications and fresh expressions to our traditional values -- especially our concern for the dignity and integrity of every individual. By meeting that challenge you can make this time of rapid change a time of substantial growth and fulfillment -- for yourselves, for your community and for your nation.

As I extend to you my personal congratulations and best wishes, I look to the future with greater confidence because I know of the exceptional qualifications you bring to the exceptional demands of our time.

Richard Nixon

OFFICIAL ANNOUNCEMENTS

In this new UPDATE section, notices of procedure, of fiscal matters and of vital administrative deadlines will be carried. All those with managerial responsibility on all levels should note this section carefully for items of concern.

ALL DEPARTMENTS OF THE UNIVERSITY are asked to forward invoices, delivery tickets, packing slips and freight bills to the Finance and Accounting Division immediately upon receipt. This will facilitate payment for purchases made in the current year and avoid the uncertainty frequently resulting when items are carried forward for payment from next year's budget.

THE BOOKSTORE requests the cooperation of the faculty in submitting Fall Quarter textbook requirements by June 1. Those faculty having questions may call Ski Hodorowski at ext. 2401.

CUT-OFF DATE FOR SUBMISSION of inter-departmental requisitions for the Campus Shop and Bookstore for this fiscal year is June 17, 1970. Requisitions for special orders should be submitted as soon as possible to allow time for delivery by the cut-off date.

THE CAFETERIA AND SNACK BAR will be closed June 12 through June 20 for renovating and for a new staff to become operational. The University has entered into a food service contract with St. Clairs of North Miami, Inc., effective June 16.

DEADLINE IN THE OFFICE OF UNIVERSITY RELATIONS FOR THE CALENDAR OF EVENTS published by the State of Florida Department of Commerce is June 1 for the fall issue.
