Report includes summer, fall and spring semester data
Faculty headcounts are unduplicated within year; faculty with appointments in multiple departments are counted in the department where they devoted most effort.
Adjuncts and Grad Assistants are counted in each department where they had an appointment.
Person-year= 1 person working full time for one year $1.00 \mathrm{FTE}=.75$ person-years

This number does not include funding proposals administered by the FAU Foundation footnote4 University Total Grant Proposals Submitted excludes proposals submitted by units outside the University's Colleges (e.g., IRM, Library).

Sponsored Research and Program Expenditures excludes expenditures by units outside the University's Colleges (e.g., Library, Henderson School).

Organized Research: All research and development activities of an institution that are separately budgeted and accounted for.
Sponsored Instruction: Instructional or training activity established by grant, contract, or cooperative agreement.
Other Sponsored Activities: Programs and projects financed by Federal and non Federal agencies and organizations which involve the performance of work other than instruction and organized research (e.g., health or community service projects).
